

External Committee

Membership Roles & Responsibilities

Mission:

The ANEntrepreneur Center External Committee (ACE) is a dedicated group of volunteers comprised of alumni, business executives, and community leaders with a shared commitment to increasing experiential education and opportunities for all UCI students interested in entrepreneurship.

Responsibilities to our Members:

- Update members on key programs and news
- Actively engage members in special events or projects
- Ability to use ANEntrepreneur Center communication channels to cross-promote the groups, organizations, or events that you are passionate about
- Provide clear and transparent communication and directives to work towards our common goal as partners and make use of your valuable time and talent

Charge & Expectations:

Members share a two-fold purpose: Community/program engagement and development of fundraising opportunities.

Members are expected to:

- Actively participate in four full ACE Committee meetings per year + two subcommittee meetings
- Provide advice and input to ANEntrepreneur Center leadership in key areas:
 - Initiatives: gigwork, entrepreneurship for women and students of color
 - Student involvement
 - How to best position resources for student success
- Connect the ANEntrepreneur Center with individuals and organizations that are potential partners
- Over the course of the year, the ANEntrepreneur Center will engage external partners through:
 - Mentoring startups and students
 - Expert workshops
 - Industry-specific or theme-based programming
 - Leadership talks and events
 - Fundraising opportunities in support of the ANEntrepreneur Center and Students
 - An annual commitment of personal or organizational financial support
